## PRIVATE CONSIGNMENT WINE LISTINGS

### ITALY

---

#### VITICOLTORE PONTE

Grown in the gravelly soil on the banks of the River Piave, Ponte's wines display freshness and purity that seems at odds with the most overly stylized modern wines. The Piave DOC, a favourable climate and the territory situated between the sea and the mountains, creates wines with strong territorial identity and typicality – lively fruit, crisp acidity and enough complexity to keep you coming back for more.

<b>2007 Pinot Grigio Le Muse</b>	<b>\$17.50</b>	<b>12/750ml</b>	<b>\$ 210.00</b>
<b>2006 Merlot</b>	<b>\$17.50</b>	<b>12/750ml</b>	<b>\$ 210.00</b>
<b>Prosecco NV</b>	<b>\$17.50</b>	<b>12/750ml</b>	<b>\$ 210.00</b>

#### I MORI CHIANTI COLLI FIORENTINI

In a wine world where not much seems to stay the same, it's nice to fall back on a traditionally made wine that seems to hit all the right chords. I Mori's Chianti couldn't be more benchmark in its style. Sweet and sour red fruit, tobacco, leather and some fresh rustic tannins create a combination that works exceptionally well with food. Sit back, relax and prepare for a point of view that most modern style wines seem to lack.

<b>2007 Chianti Colli Fiorentini</b>	<b>\$16.95</b>	<b>12/750ml</b>	<b>\$ 203.40</b>
--------------------------------------	----------------	-----------------	------------------

#### TERRA BAROLO

Another great source of terroir-driven wine, Terradavino crafts wines that not only satiate our need for local flavours, but the price is sensible and the reviews are stellar. All the right aromas come from this wine – liquorice, fennel, roses and dried red fruit – and it has an unmistakable Italian finish. Enjoy!

<b>2004 Terra Barolo</b>	<b>❖WS 90</b>	<b>\$37.50</b>	<b>12/750ml</b>	<b>\$ 450.00</b>

## SAN FABIANO DE CALCINIA

We love bringing these wines into consignment for our customers. The Riservas and regular Classicos are fully appreciated and admired by those who have had the opportunity to enjoy them. These wines are massive, intense and very pure expressions of the terroir. True hedonism in a glass.

## ELIO GRASSO

One of Groupe Soleil's favorite producers, Elio Grasso uses only estate grown grapes from the varieties traditionally grown in the Langhe hill country near the town of Alba. Possessing a deep, full colour and a nose of current, tobacco and coffee it produces similar results on the palate with a long succulent, sweet and sophisticated finish.

## LA CA NOVA

We discovered this awesome Barbaresco at VIN Italy last year and it amazed us with its pure fruit, intense concentration and long exuberant finish. Parker agreed and rated it at 91 points. Value for money it is a real gem but we have only a limited amount.

### CHAMPAGNE VOLLEREAUX

There is a growing trend for retailers and knowledgeable consumers to choose champagnes from small growers instead of the larger more commercial producers. The appeal is the individuality and distinctiveness, character and diversity of styles from these growers. Aficionados of these small houses refer to these fine champagnes as “farmer fizz”. For five generations the owners have produced very tiny quantities and sold them exclusively in Europe. We hope you enjoy these wines as much as we do.

### DOMAINE GRAND VENEUR

Featured in Robert Parker’s 100 best estates of the world, this estate is a “rising star in the South”. Alain Jaume turns out wines that display impeccable balance between spicy fruit and that southern French meat and garrigue sensibility that gives complexity in small doses. Predominately a Chateauneuf house, they produce modest amounts of Cotes Du Rhone whose remarkable complexity and sophistication belies its simple origins.

Boillot's 04's are some of the regions most refined, harmonious and flavorful products, from the big four-square Meursault that delivers muscle and balance to the svelte and powerful Puligny Montrachet that is all elegance and sophistication. ## MAISON LUCIEN LE MOINE

This new Beaune based negociant firm was founded by Mounir Saouma, a Lebanese immigrant. Saouma moved from war torn Lebanon to a Cistercian monastery in Israel. There, during his six years at the monastery, he worked in the winery, was bitten by the wine bug and left to study wine at the University at Montpellier, France. Saouma only works with small lots (there are no more than three barrels of any one wine), They are all purchased as wine, aged in 100% new Seguin-Moreau oak barrels, have their lees stirred regularly and bottled with neither fining or filtration. We are thrilled to offer these wines to you.

### CORNERSTONE WINERY

Started in 1991 by a couple of gastroenterologists from Memphis, early vintages earned Cornerstone inclusion as one of eight California "World Class" Cabernet producers in The Connoisseur's Handbook of the Wines of California. In 2001, super-talented Celia Masyczek came on board as winemaker for Cornerstone. Celia's star continues to rise, as one of Napa's most savvy wine phenoms; a trajectory equaled by the character of the wines she has produced for Cornerstone in recent years.

### HAVENS WINERY

One of the most low key producers in all of Napa Valley, Michael Havens has consistently produced the most elegant concentrated wines in the valley. He refuses to compromise quality for sales. Robert Parker has said often that Havens produces some of Napa's most prodigious wines in the entire valley. Great value and amazing concentration.

<b>2002 Bouriquot</b>	<b>\$73.25</b>	<b>12/750ml</b>	<b>\$ 879.00</b>
-----------------------	----------------	-----------------	------------------

Parker calls this wine the Cheval Blanc of Napa.

<b>2002 Syrah</b>	<b>\$51.25</b>	<b>12/750ml</b>	<b>\$ 615.00</b>
-------------------	----------------	-----------------	------------------

Can age for years taking on the uncanny resemblance to a Great Northern Rhone Cote Rotie.

<b>2005 Black &amp; Blue</b>	<b>\$73.25</b>	<b>12/750ml</b>	<b>\$ 879.00</b>
------------------------------	----------------	-----------------	------------------

Napa's original cult wine, a bottle of the '92 sold recently at auction at Ritchie's Toronto for \$1000. A cabernet/syrah blend, the 2005 Black & Blue is a wine of huge character, offering a load of sweet fruit and balancing spice. We have no doubt it will age for many years into a wine as evocative and engaging as its predecessors.

### BEAUX FRERES

Beaux Freres is one of the most memorable vineyards we've ever experienced. In a world where the word "passion" is misused by all sorts happy to cash in on it, winemaker Michael Etzer exudes it. Robert Parker, Jr. is one of three owners in Beaux Frères vineyard and winery. His interest in the property was spurred by his brother-in-law, Michael Etzel, who discovered the property in 1986. Robert never reviews Beaux Frères but you will find his imprint in the winery's tasting notes, and more importantly, in the philosophy that governs Beaux Frères and its pursuit of excellence.

## NEW ZEALAND

### SEIFRIED ESTATE

Perhaps one of the most talked about producers in New Zealand, Seifried isn't interested in making run-of-the-mill commercial plonk. Everything he touches, from his Rieslings to his Reserve Pinot Noir, has a true sense of where it's from and an authentic character to boot. His wines are very intense and represent great quality for the price. We are sure you will see why they are among our top sellers.
